## Editor's Message

January seemed never ending and February has ended so quickly. Welcome to our March edition of the Newsletter. We received some profound messages in the Month of February and we enjoyed the move of God in Worship and in our Prayer sessions. We are a praying Church so endeavor to join one of the many Prayer Meetings available. You can listen to these messages again via the NCC App. We have our **Mother's Day** Celebration in this month of March and the clocks will go one hour forward (so we will lose an hour) on the 26<sup>th</sup> March as well, so be aware of this.

We are 6 weeks away from our **Watoto Concert** and 7 weeks from our **Good Friday Drama "Crossroads"**. Make sure you invite someone along to both events as we work together to meet our 1000-Souls-Mandate this year – so be a part of it! Don't forget that the times for our Relationship prayers is now 9:30am – 10am, and Revival prayers are from 5pm -7pm on the first Sunday of the month. Stay blessed.

## Message for the Month: What is 'Good Success'?

*TEXT: JOSHUA 1: 8*

God has promised that we will prosper and have GOOD SUCCESS through his Word. So, it is important to understand what 'Good Success' is and how to have it. Everyone in the world has been sent into the world on a DIVINE ASSIGNMENT. This is called our life's purpose.

To be successful at this, we must DISCOVER, PURSUE, and FINISH. Jesus spoke to Paul about his purpose (Acts 26:16-18) and Paul was able to say in 2 Tim 4:7-8, that he finished his course and now there is a reward waiting for him. This is also true for those who succeed in their divine assignment. So, go in this confidence; **Discover, Pursue and Finish your divine assignment.** You are blessed!!!.

**Pastor Michael Oludipe**

## Worker's Corner – Building Facilities Department

The building and Facilities Department is responsible for the use and care of Church auditorium. Our aim is to minimise unexpected repairs of building facilities by implementing a cost effective preventative program, designed to correct each problem as or before it occurs. We meet every Sunday morning between 8:30am - 9am to make sure the church auditorium is open, clean and orderly, in a way that demonstrates its sacred nature and purpose.

We also like to use this opportunity to implore all members to please share this vision with us by helping to keep the grounds clean and tidy after service. This will minimise the need for extensive cleaning and ensure the Church auditorium portrays the desired dignity worthy of the Lord's house of Worship. We need volunteers so if you have a passion for what we do, please get in touch. Remain blessed. - *Bro Olu Olayemi*
